

CORONAVIRUS

General Protective Measures

Stay at home if you have **typical corona symptoms** such as a high temperature and/or cough.

Keep at least **1.5 m** protective distance to others!

Wear **mouth-nose cover** if the protective distance is not reached.

Wash your hands regularly and thoroughly with **soap and water for 20 seconds**, especially after going to the toilet and before consuming any food.

Do not touch your face with your hands.

Do not shake hands.

Avoid face-to-face meetings; alternatively, use telephone and video conferences.

Avoid crowds of people.

Cough and sneeze into the inside of your elbow or handkerchief, not into your hand.

Ventilate interiors regularly.

Separate use of hygiene articles and towels.

Clean skin and hand contact surfaces regularly.
